The Swamigals of the Sri Vasudarajaswamy Mutt writes in reply to this office Comm Dy 31-7-08, to say, that it does not seem that any documents are forthcoming in the Mutt, that the properties are in the possession of the Mutt for a number of years past, and that if any records relating to the transaction be obtained from the party and sent to him, he will consider over the matter and intimate his wishes.

The Govt Agent has already reported that the petrs have not any records with them relating to the subject submitted for order

the bifurcation of the
Mer: Deeds

If the land had been mortgaged by the party to the matt, as the Govt agent also is included to consider, as can be presumed in his report dtd 17.7.08, it is not clear why the Mamlatdar says that the matt does not possess any documents for the transaction. Any documents for this transaction ought to be in the matt.

The only course now open for us to do is probably to send copy of this memo to Govt agent for doing what is nec: in the matter, (further correspondence being conducted in the Mer: office)

Subject :—

Sir,

With reference to the petition referred to me for report with the order quoted above about restoration of certain dry lands, situated in Kumaraswamy Agraharam Sankhagiri Division, Tiruchangodu Taluk of the Salem District to Petitioner Rangaswamy Chari and Venkata Rao, I respectfully beg to report that from local inquiries I find that the uncle of petitioner, one Petan Swamy was Purohit (now dead) had taken Contract of certain land belonging to the Sri Vyasarayaswami Matt

2 Having been unable to pay the rent will amount to the Matt he mortgaged his paramparya ancestral property consisting of dry land

in Kumarapalyam Agraharam

3 The petitioners who are the sole surviving heirs to the original mortgagor possess no documents to show whether the transaction referred to actually took place or not but it is certain that in Kumarapalyam village there are dry lands, to the extent of 2¼ acres which are now in the possession of the mutt under mortgage title.

4 If the mortgage of lands had really taken place from Srinivasan with whom the petitioners represented by the petitioners, there should certainly be with the mutt a mortgage deed. To dispose of these petitions the mortgage deed is essentially necessary I therefore submit herewith a draft of Vignapatrika to the mutt requesting the forwardal of the mortgage deed, which if approved of may kindly be sent to the Swamigalavarn of the Sri Nallasivaraya Swamy mutt, and the document forwarded to me when received

I beg to remain

Most honoured Sir,

The humble petition of Ranga Srinivasa Iyer, late Vm of Jambai village. Bhavani Taluk Coimbatore District, most respectfully sheweth:—

1) That certain Inam lands at Komarapalayam Agraharam Sankagiri Dm Salem District which were in our ancestral possession were mortgaged by our uncle Pettai Srinivasamurthi Achar to Vyasaraya Mutt Swamigal and are now enjoyed by Sosalai Venkatarayachar, that my father Pettai Krishnachar, myself and my brother, petitioned the Government many times. that on the

subject to Raghavendra Rao, Vijaya saraya mutt Agent. held an enquiry at Komarapoliem itself in june 1908 & reported to the Government that it is now 2½ years ~~here~~ since the enquiry was made, that on 29th June 1910 another petition was submitted to the effect that no result was communicated to us, a reply was got from His Highness Government No. 297/29-7-10 that the said Swamigal was asked to furnish information, that the result will in due course be communicated to me that ever since the reply was got a long interval elapsed, without any effect to any of my petitions.

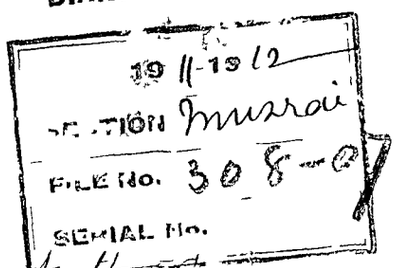
DIARY No. 538



To,

The Secretary to the Government of
His Highness the Maharaja of
Mysore General & Revenue Department
Huzaroyee Branch Bangalore.

Most Honored Sir,

The humble petition of Ranga Sreenivasa Iyer, late village munsiff of Jambar village Bhavani Taluq Coimbatore most humbly showeth :-

1 That he received the endorsement from your Honor no 3235 G/26 June 11 that it was stated therein that if any records connected with it should be sent it will be considered.

2 That the said Vyravara Nattamagent M Raghavendra Rao, while here in June 1908 in the course of an inquiry in the presence of the petitioner and husband and many other witnesses said and noted that the said lands in question properly belonged

to the petitioners and they were enjoyed by Vyparaya Swamigal by reason of the mortgage on the lands and got statements from the petitioner & his brother, and from many other witnesses that an extract from the Inam Register in which settlement was made in 1863 that the lands were vested in Krishnacharj and his brother Pettai Srinivasamurthi Achar as per settlement made under the inam By Collector

3 Besides the said Vysaraya Matt Swamigal leased out the above lands to Sosalai Venkatrayachar in 1892 and the said leased book is in possession of the Matt agent Mr. Raghavendra Row, and if your Honor will take some pains, your Honor will be convinced of the truth of the case.

4 That the petitioner's uncle Srinivasa Murthi Achar was without issues and the petitioners were the lawful heirs were made clear to Mr Raghavendra Row while here in 1908 and all such records connected therewith live with him.

5 If it be argued that there are no records therefore to strengthen petitioner's claims to the same the petitioner is prepared

to send the true copies of the lease bond made by the Swamigal on behalf of Sosalai Venkatrayachar as also, true extract from the Inam Settlement Register if need be

6 That ever since 1907 December, the matter has been pending, and if redress is not forthwith coming or be made in the near future the only alternative lies with the Courts of Law to which, the petitioner will have to resort as a last resource to justify his claims

Hoping that this will meet with your Honor's approval and good wishes,

the petitioner remains to be,

Your Honor's most obedient & humblest
